OFFICE OF THE DIRECTOR OF INDUSTRIES AND COMMERCE IN MYSORE, BANGALORE.

No. T. E. C.,—35-36, *dated 14th December* 1935.

The following letter No. C. 684 D.—35, dated 21st November 1935 along with a notification dated 24th June 1935, received from the Secretary to the Commissioner for Government Examinations, Madras, prescribing certain rules for the benefit of the candidates appearing from the Mysore State for the Government Technical Examinations, Madras, is published for general information.

D. SESHAGIRI RAO,
For *Director.*

I have the honour to inform you that the rules relating to the admission of candidates for the Government Technical Examinations are embodied in the notification regulating the Government Technical Examinations and the conditions of admission are published in the "Fort St. George Gazette" from time to time. One of the rules is that the candidates who do not possess the prescribed general educational qualification should obtain the previous permission of the Commissioner for Government Examinations, Madras.

It has been found by experience that the candidates who appear for the Government Technical Examinations in subjects other than "Commerce" do not get acquainted with the rules and conditions of admission published in the Gazette, from time to time. Candidates who do not satisfy the conditions of admission remit the examination fees and apply for the examination without obtaining the previous permission of the Commissioner for Government Examinations, Madras. In order to avoid the hardship to candidates consequent on the rejection of such applications, the Commissioner for Government Examinations, Madras, is indirectly forced to relax the rules of admission. The Commissioner for Government Examinations, Madras, has therefore, now decided to enforce the rules strictly from next year and I am desired by the Commissioner for Government Examinations, Madras, to request you to be so good as to bring this to the notice of all heads of schools sending up candidates for the Government Technical Examinations in subjects other than "Commerce". A copy of the [illegible] of admission is enclosed marking the portion. Ordinarily the candidates who do not

possess the prescribed general educational qualification will have to apply for permission before the end of July every year, and a notice to this effect will be published in the " Fort St. George Gazette " early in July every year.

Application for the November examinations will be received in the office on or before the 31st August every year and applications after that date will be accepted only on payment of a penal fee of Re. 1 for fifteen days only.

GOVERNMENT EXAMINATIONS.

GOVERNMENT TECHNICAL EXAMINATIONS, NOVEMBER 1935.

[All subjects under the groups headed Pharmacy, Indian Music, Drawing, etc., Printing, Book-binding, Type-Founding, Textile Fabrics (Lace-making only), and Tailoring and Dress making.]

Notice regarding permission to appear.

It is hereby notified that the following candidates for the Technical Examinations to be held in November next are not required to obtain the previous permission of the Commissioner to apply for admission to the Examinations.

I. (1) Candidates for the *Lower* grade examinations in subject under the groups specified above who have studied up to the VIII Standard of an Elementary School and who have qualified for an Elementary School Leaving Certificate.

Note.—A certificate from the head of a College or High School recognized for purposes of *general education* or from an officer of the Educational Department not below the rank of Deputy Inspector of Schools, in proof of the general educational qualification possessed by candidates should accompany the applications in all cases.

(2) *a.* Candidates for the Higher Grade Examinations who have qualified for a Secondary School-leaving Certificate or have passed the Matriculation Examination: those for the examination in Chemistry under the head " Pharmacy," who have taken up Physics and Chemistry as " C " group subjects for the Secondary School-leaving Certificate Public Examination or have passed an examination equivalent to it, in which the subjects of Physics and Chemistry are included.

b. Candidates for the examinations in all the subjects under " Pharmacy," except " Practical Dispensing (for compounders)," who have undergone in addition the prescribed course of study in the Madras Medical college.

c. Candidates for the examination in " Practical Dispensing (for compounders)" who have undergone a course of training for nine months at a major dispensary including that in " First Aid ".

The Commissioner may accept any other examination which he considers equivalent or higher in lieu of the general educational tests prescribed above for admission to the Higher and Lower grades.

II. The following persons shall also be eligible for admission to the Government Technical Examinations:—

(1) All persons who are certified by the head of a recognized technical school or class to have completed the prescribed course in the subject or subjects in which they appear;

(2) all employees under Government, Local Boards or Municipal Council, *who are required to pass in any of* the subjects included in this notification;

(3) all other persons who are specially permitted by the Commissioner to appear.

III. (1) Candidates who appear and fail in a particular subject and grade may appear at future examinations in that subject and grade. Those who have passed in the Second Class in any subject and grade may come up to qualify for the First Class in that subject and grade on paying the full Examination fee.

(2) Where the subject is one in which the examination is divided into stages—for example, Tailoring—candidates who have failed in one or two sections in the subject and grade may come up in that section or sections on paying the full examination fee that is prescribed for that particular grade they wish to apply.

IV. Candidates who do not possess the required general education qualification or have not been permitted by the Commissioner to appear, will be admitted to the Lower Grade if they already appeared and failed in the Elementary or Intermediate grade and to the Higher grade, if they already appeared and failed in the Advanced grade, provided the subject is the same in each case.

Candidates who come under this category and who by reason of which claim to appear should quote in their applications for admission to the examinations, the year in which they failed and the centre at which, they appeared in the said subject and grade.

No candidate can claim to come up for the Higher grade by reason of his having passed the Elementary or Intermediate or Lower grade. In such cases, the previous permission of the Commissioner should be obtained.

By Order,
Mohammad,

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Notification No. 309—B. II., dated 26th February 1936.

To

All Drawing and Treasury Officers.

It is hereby notified for the information of all Drawing and Treasury Officers, that as per instructions issued by Government, the Superintendents of this office will sign in full on the left hand bottom corner of the Audit enfacement on all bills passed by this office for payment. The Treasury Officers should invariably see to this at the time of encashment of the bill.

Circular No. 310—*M.A.D., dated 6th March* 1936.

SUBJECT—Revising the existing Rules under issue of Supply Bills for making them more popular.

To—All the Treasury Officers of the District and Taluk Treasuries of the State and the Officer in charge of State Huzur Treasury, Bangalore.

The attention of all the Treasury Officers is invited to Government Order No. Fl. 6092-101—G. F. 4-33-2, dated 11th February 1936, reducing the minimum limit for issue of Supply Bills from Rs. 500 to Rs. 300 with a view to afford further facilities to the public to transfer funds from one Treasury to another.

The Treasury Officers are requested to give wide publicity to the above and encourage the public, as far as possible, to resort to the use of Supply Bills for transfer of funds from one place to another.

Circular No. 311—*M.A.D., dated the 6th March* 1936.

SUBJECT.—Creating certain facilities to the Public for remitting Money from place to place through Government Treasuries.

To

All Treasury Officers of the District and Taluk Treasuries of the State and the Officer-incharge of State Huzur Treasury, Bangalore.

Government having in their Order No. Fl. 6092-101—G. F. 4-33-2, dated 11th February 1936, approved of the introduction of the scheme of Treasury Cash Orders for facility of remittances, below Rs. 300, the following subsidiary instructions are issued for information and guidance.

Cash order books of 100 leaves, duly machine-numbered and printed at the Government Press will be stocked in the Comptroller's Office and supplied on indents in Form No. 100, M. C. A. C., Vol. II from the Treasuries. The procedure prescribed under Articles 442-445 of M. C. A. C., Vol. II *re* custody and care of forms apply *Mutatis Mutandis* in the case of cash order books also.

The issue registers of R. T. R's and supply bills in Form No. 97, now in use, in the Treasuries may be continued from 1st April 1936, only for issue of R. T. R's and a separate register in the same form may be opened from that date for noting issue of supply bills and cash orders, suitably altering column 10 'Amount of R. T. R's' into 'Amount of Cash Order', until revised forms of schedules are supplied from the Press.

As each cash order is paid, the payment is recovered in a separate schedule in Form 99 and initialled by the Treasury Officer. Particular care should be taken at the Treasury of payment for the identification of payees as required by Art. 353 (c) M. C. A. C., Vol. I. The same schedule may be used for recording payments of cash orders and supply bills. The payment of R. T. R's may, however, be noted in a separate schedule and a copy of the schedule sent to this office monthly along with the cash accounts, as usual. In order to watch repayment of cash orders promptly in this office, the Schedules relating to these should be despatched once a week so as to reach the Comptroller punctually on every Monday.

Transactions relating to these Cash Orders will be booked under the head "31 A. Remittances 'f' Treasury Cash Orders," to be newly opened in the Treasury cash accountsfrom 1st April 1936. The commission recovered in each case, should be noted for the information of this office, in the column provided for the purpose, in the schedules, credit of the same being, however, taken under XIII Misc. 6 Misc. premium on Supply bills, etc., in the cash accounts as is being done now in the case of R. T. R's and Supply bills.

Rules relating to the issue of bills, examination of bills presented, regularity of signatures, cancellation and currency specified under Chapter XXII M. C. A. C., Vol. II, apply equally in the case of these Cash Orders, also.

Treasury Cash Order lapses at the expiry of 3 months from the last day of the month of issue. It can, on payment of second commission, be renewed by the issuing Treasury for three months more, after which the Order will lapse to Government. This may, however, be revised on application to this office on payment of further commissions. Purchaser of a Cash Order may obtain payment for himself of its value, (but not the commission paid) at the Treasury at which he purchased the same.

Though Government do not guarantee to compensate a purchaser for the value of lost order, they will be prepared to institute reasonable enquiries, if the counterfoil is sent along with such an application. Treasury Officers should give wide publicity of the above scheme to the public by putting copies of the Notification both in English and Kanarese in a prominent place in all the Treasuries.

A. N. RAGHAVACHAR,
Comptroller.

COMPTROLLER'S OFFICE, BANGALORE.

Notification No. 309—*B. II., dated 26th February* 1936.

To

All Drawing and Treasury Officers.

It is hereby notified for the information of all Drawing and Treasury Officers, that as per instructions issued by Government, the Superintendents of this office will sign in full on the left hand bottom corner of the Audit enfacement on all bills passed by this office for payment. The Treasury Officers should invariably see to this at the time of encashment of the bill.

Circular No. 310—*M.A.D., dated 6th March* 1936.

SUBJECT—Revising the existing Rules under issue of Supply Bills for making them more popular.

To—All the Treasury Officers of the District and Taluk Treasuries of the State and the Officer in charge of State Huzur Treasury, Bangalore.

The attention of all the Treasury Officers is invited to Government Order No. Fl. 6092-101—G. F. 4-33-2, dated 11th February 1936, reducing the minimum limit for issue of Supply Bills from Rs. 500 to Rs. 300 with a view to afford further facilities to the public to transfer funds from one Treasury to another.

The Treasury Officers are requested to give wide publicity to the above and encourage the public, as far as possible, to resort to the use of Supply Bills for transfer of funds from one place to another.

Circular No. 311—*M.A.D., dated the 6th March* 1936.

SUBJECT.—Creating certain facilities to the Public for remitting Money from place to place through Government Treasuries.

To

All Treasury Officers of the District and
Taluk Treasuries of the State and the Officer,
incharge of the State Huzur Treasury, Bangalore.

Government having in their Order No. Fl. 6092-101—G. F. 4-33-2, dated 11th February 1936, approved of the introduction of the scheme of Treasury Cash Orders for facility of remittances, below Rs. 300, the following subsidiary instructions are issued for information and guidance.

Cash order books of 100 leaves, duly machine-numbered and printed at the Government Press will be stocked in the Comptroller's Office and supplied on indents in Form No. 100, M. C. A. C., Vol. II from the Treasuries. The procedure prescribed under Articles 442-445 of M. C. A. C., Vol. II *re* custody and care of forms apply *Mutatis Mutandis* in the case of cash order books also.

The issue registers of R. T. R's and supply bills in Form No. 97, now in use, in the Treasuries may be continued from 1st April 1936, only for issue of R. T. R's and a separate register in the same form may be opened from that date for noting issue of supply bills and cash orders, suitably altering column 10 'Amount of R. T. R's' into 'Amount of Cash Order', until revised forms of schedules are supplied from the Press.

As each cash order is paid, the payment is recovered in a separate schedule in Form 99 and initialled by the Treasury Officer. Particular care should be taken at the Treasury of payment for the identification of payees as required by Art. 353 (c) M. C. A. C., Vol. I. The same schedule may be used for recording payments of cash orders and supply bills. The payment of R. T. R's may, however, be noted in a separate schedule and a copy of the schedule sent to this office monthly along with the cash accounts, as usual. In order to watch repayment of cash orders promptly in this office, the Schedules relating to these should be despatched once a week so as to reach the Comptroller punctually on every Monday.

Transactions relating to these Cash Orders will be booked under the head "31 A. Remittances 'f' Treasury Cash Orders," to be newly opened in the Treasury cash accountsfrom 1st April 1936. The commission recovered in each case, should be noted for the information of this office, in the column provided for the purpose, in the schedules, credit of the same being, however, taken under XIII Misc. 6 Misc. premium on Supply bills, etc., in the cash accounts as is being done now in the case of R. T. R's and Supply bills.

Rules relating to the issue of bills, examination of bills presented, regularity of signatures, cancellation and currency specified under Chapter XXII M. C. A. C., Vol. II, apply equally in the case of these Cash Orders, also.

Treasury Cash Order lapses at the expiry of 3 months from the last day of the month of issue. It can, on payment of second commission, be renewed by the issuing Treasury for three months more, after which the Order will lapse to Government. This may, however, be revised on application to this office on payment of further commissions. Purchaser of a Cash Order may obtain payment for himself of its value, (but not the commission paid) at the Treasury at which he purchased the same.

Though Government do not guarantee to compensate a purchaser for the value of lost order, they will be prepared to institute reasonable enquiries, if the counterfoil is sent along with such an application. Treasury Officers should give wide publicity of the above scheme to the public by putting copies of the Notification both in English and Kanarese in a prominent place in all the Treasuries.

C., Vol. II from the Treasuries. The procedure prescribed under Articles 442-445 of M. C. A. C., Vol. II *re* custody and care of forms apply *Mutatis Mutandis* in the case of cash order books also.

The issue registers of R. T. R's and supply bills in Form No. 97, now in use, in the Treasuries may be continued from 1st April 1936, only for issue of R. T. R's and a separate register in the same form may be opened from that date for noting issue of supply bills and cash orders, suitably altering column 10 'Amount of R. T. R's' into 'Amount of Cash Order', until revised forms of schedules are supplied from the Press.

As each cash order is paid, the payment is recovered in a separate schedule in Form 99 and initialled by the Treasury Officer. Particular care should be taken at the Treasury of payment for the identification of payees as required by Art. 353 (c) M. C. A. C., Vol. I. The same schedule may be used for recording payments of cash orders and supply bills. The payment of R. T. R's may, however, be noted in a separate schedule and a copy of the schedule sent to this office monthly along with the cash accounts, as usual. In order to watch repayment of cash orders promptly in this office, the Schedules relating to these should be despatched once a week so as to reach the Comptroller punctually on every Monday.

Transactions relating to these Cash Orders will be booked under the head "31 A. Remittances 'f' Treasury Cash Orders," to be newly opened in the Treasury cash accountsfrom 1st April 1936. The commission recovered in each case, should be noted for the information of this office, in the column provided for the purpose, in the schedules, credit of the same being, however, taken under XIII Misc. 6 Misc. premium on Supply bills, etc., in the cash accounts as is being done now in the case of R. T. R's and Supply bills.

Rules relating to the issue of bills, examination of bills presented, regularity of signatures, cancellation and currency specified under Chapter XXII M. C. A. C., Vol. II, apply equally in the case of these Cash Orders, also.

Treasury Cash Order lapses at the expiry of 3 months from the last day of theemonth of issue. It can, on payment of second commission, be renewed by the issuing Treasury for three months more, after which the Order will lapse to Government. This may, however, be revised on application to this office on payment of further commissions. Purchaser of a Cash Order may obtain payment for himself of its value, (but not the commission paid) at the Treasury at which he purchased the same.

Though Government do not guarantee to compensate a purchaser for the value of lost order, they will be prepared to institute reasonable enquiries, if the counterfoil is sent along with such an application. Treasury Officers should give wide publicity of the above scheme to the public by putting copies of the Notification both in English and Kanarese in a prominent place in all the Treasuries.

A. N. RAGHAVACHAR,
Comptroller.

The Text-books in the several subjects will be the same as those in Notification D. No. 30—33-34—28—L. E. 189-32-33, dated the 11th October 1933, modified by Notification D. No. 44-36—L. E. 189-33-34, dated the 7th December 1933.

Applications for admission to the Examination should reach the Secretary, Mysore Local Examinations Boards, New Public Offices, Bangalore, **not later than the 1st July 1936**.

Notification D. No. 101-49 *of* 35-36—*L. E.* 86 *of* 35-36, *dated* 20*th April* 1936.

It has come to the notice of the Department that several Second Year students in the Sixth Form Classes who are not likely to be selected by the Heads of High Schools for presentation for the S. S. L. C. Public Examination as School candidates have been appearing for the Examination as private candidates, although they have been regular pupils in recognised High Schools at the time of their sending applications. This procedure is educationally objectionable inasmuch as it leads to indiscipline in Sixth Form Classes, besides violating the rules under which candidates are allowed to come up for the Examination, by private study. The rules of private candidature should be applicable only to *bona fide* private candidates who do not attend a School, and not to such Second Year students as have been regular pupils in a High School.

With a view to check this irregular procedure, it is hereby notified that *with effect from the School Year* 1936-37, no candidate who is a regular pupil in a High School shall be allowed to send up his or her application as a private candidate and that every candidate who applies for admission to the S. S. L. C. Public Examination, by private study, under Clause VIII of the S. S. L. C. Rules shall be required to produce with his or her application for admission to the Examination, a certificate from an Officer of the Education Department, not lower in rank than the Head of a recognised High School in Mysore to the effect that he or she has not attended any recognised High School during the School Year in which he or she appears for the Public Examination. The "B" form of application intended for private candidates will be suitably modified, provision being made therein for furnishing the certificate referred to above.

Director of Public Instruction.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 316—*B.II., dated* 23*rd April* 1936.

To

All Officers who draw separate bills for their own salaries.

It is noticed in a number of cases that officers on leave draw their leave allowances without obtaining an audit slip from this office. Officers who are in receipt of certain allowances such as Duty, Local Allowance, Conveyance Allowance, House Rent and Fixed Travelling allowance draw these allowances during privilege leave as a matter of course. Similarly Gazetted Officers draw furlough allowances calculated on the full salary instead of average salary admissible under the rules without intimation from this Office which is usually furnished to the officer concerned, as soon as the report of transfer of charge is received in this office as per Article 62, M. C. A. C., Vol. I. To avoid such irregularities, the following procedure will be followed in future.

Officers proceeding on leave should invariably send the report of transfer of charge on the same day as they hand over charge of their office as contemplated in Article 62, M.C.A.C., Vol. I.

The Treasury Officers will not cash the bills for furlough allowances unless accompanied by an authority from this office.

Officers on privilege leave who are in receipt of any allowances other than personal allowance should draw such allowances during leave only after ascertaining from this Office as to whether they are admissible during privilege leave. Claims to such allowances will not be admitted by the Treasury unless accompanied by a letter of authority from this office.

II. Questions.

Answers to questions of which notice had been given were furnished as follows :—

Mr. V. Venkataswami Chetti.

Questions.	*Answers.*
KANDASWAMY NAIDU MEDICAL SCHOLARSHIP.	
1. Will the Vice-Chancellor be pleased to state :—	
(i) whether it is not the primary purpose of this scholarship to enable Banajiga boys to prosecute their studies;	No. The object of the endowment is to encourage the study of higher medicine in general, in the special branch of Midwifery and allied subjects, by the Hindu community in general. The scholarship is intended primarily for women students, but Telugu Banajiga candidates are given preference among male candidates when there are no eligible female candidates.
(ii) if so, how many Banajiga boys have been awarded this scholarship and in the alternative, how many others, ever since the institution of the scholarship;	A list of scholars with their communities is attached.
(iii) if the scholarship goes to non-Banajiga boys more often on grounds of merit or otherwise, whether it is possible to refer to the representatives of the donor to make it restricted in its award at all events to Banajiga boys?	The terms do not require such a reference to the representative of the donor.

(iv) whether the proceedings of the Senate as now preserved in the University are merely the transcribed copies furnished by the steno-typists without the same being verified as to their accuracy by the speakers who take part in the debates at the Senate meetings;	Yes.
(v) whether the reports submitted by the steno-typists of the proceedings of the Senate are revised by the University Office or are filed in the records without revision;	The latter.
(vi) if the answer to the latter half of question (v) be in the affirmative, whether it is not inadvisable to keep such imperfect records in the office;	*Vide* reply to (iii).

Statement in Reply to Question 8 (i) (b).

Year	Proposition or Subject in brief	Resolution of the Inter-University Board
1923-24	That a system of exchange of University Professors between different Universities be arranged.	The Indian Universities Conference approved on principle the exchange of teachers between different Universities, the details being settled in every case by the Universities concerned.
1928 29	That other Universities may be consulted as regards the holding of the examinations in a comparatively cool part of the year.	The opinions of the several Universities was obtained by the Secretary, Inter-University Board and communicated to this University. No change in the dates was considered feasible.
1931-32	(i) Mutual recognition of Examinations and Degrees.	**Resolved** that the report of the Mutual Recognition Committee be approved and be communicated to the different Universities. REPORT OF THE MUTUAL RECOGNITION COMMITTEE. 1 **Resolved** that the committee recommend the mutual recognition of the corresponding examinations of Indian Universities—differences in nomenclature notwithstanding—and of Boards of Intermediate and Secondary Education incorporated by the Law for the time being in force, provided that— (*a*) The length of the courses leading to different examinations is the same. (*b*) The courses of study shall have been pursued in a University or in a College recognised by a University. (*c*) In the case of professional examinations no University need admit a student of another University who has not studied the subjects prescribed by it as a necessary preliminary course. NOTE.—It is to be understood that no University need give a concession to students who have passed examinations of other Universities or Boards recognised as equivalent, which it is not prepared to extend to students who have passed its own examinations. 2 **Resolved** that in the opinion of the Committee, wherever the conditions laid down in **Resolution** 1 are satisfied, the mutual recognition of examinations shall not be affected by the fact that in some Universities English is not the medium of instruction. 3 **Resolved** that in view of the fact that the Inter-University Board is the proper authority to advise with regard to the question of the mutual recognition of degrees, the committee are of opinion that it would be in the interests of the Universities concerned, if the provision under which they are not permitted to recognise, for the purposes of admission to the courses of study for a degree, the examinations of other Universities or Boards as equivalent to their own examinations without the previous sanction

Year	Proposition or Subject in brief	Resolution of the Inter-University Board.
		of the Governor-General in Council, were removed from the acts of such Universities. The committee therefore, recommend that the Inter University Board shall make an enquiry on this subject from the Universities concerned, and if they agree with the view of the Board, shall approach the Government of India requesting them to take necessary action in the matter.
	(ii) That the Inter-University Board take steps for the recognition on a footing of equality of corresponding degrees of the several member-Universities by the Government of India, the provincial Governments, the Public Service Commission, the Rail Board and similar other authorities.	**Resolved** that the suggestion be approved and the Government of India, the Public Service Commission and the Railway Board be addressed in the matter.
	(iii) That in cases where one University refuses to recognise a particular degree of another University, it is desirable that the reasons for refusal be stated explicitly.	The Inter-University Board resolved not to take action.
	(iv) That the Inter-University Board take steps to ascertain and publish the terms on which Indian Degrees are recognised in England and on the continent.	**Resolved** that the Secretary be instructed to ascertain, as far as possible, the conditions of recognition of Indian degrees in England and on the continent.
	(v) That in cases in which professional Post-graduate courses are notinstituted in any member-University facilities be afforded for graduates of such University to proceed for further training in any other University on the same conditions as graduates of the latter University.	The Inter-University Board is of opinion that this is a matter for negotiation between the Universities and the local Governments concerned.
	(vi) That the inter-University Board do invite the attention of the Universities Bureau of the British Empire to the problem of the Indian Students in British Universities with special reference to the arrangements for their boarding and lodging.	**Resolved** that the attention of the Vice-Chancellors of the British Universities be invited through the Universities Bureau of the British Empire, to the problems of Indian students in British Universities with special reference to the desirability of offering them fuller opportunities for entry into the social life of the Universities concerned.
1932-33	(i) Question regarding the subscription payable by Indian Universities for the membership of the Universities Bureau of the British Empire.	**Resolved** that the Secretary of the Universities Bureau be informed that, in view of the present financial depression which has severely affected all Indian Universities, a reduction in the annual subscription for the membership of the Bureau would be greatly appreciated and that such a reduction would be an inducement to the present members to continue their membership and to others to join the Bureau.

Year	Proposition or Subject in brief	Resolution of the Inter-University Board
	(ii) Question of exemption from or reduction of customs duties on importation of materials and apparatus for educational or research purposes.	**Resolved** that the Government of India be requested to consider the feasibility of revising the schedule of Import duties in respect of scientific apparatus which is at present imported under Schedule 91. [Government of India have since replied to the effect that they are unable to exempt from customs duty any other articles imported by educational authorities for scientific and research purposes].
1933-34	(i) That the Inter-University Board take steps to bring together students of different Indian Universities by means of Inter-Universities debates, sports and the like.	**Resolved** that, while being conscious of the difficulties in organising tournaments and debates on an All-India basis, the Board is strongly of opinion that Inter-University contests in sports and debates be encouraged as far as possible.
	(ii) That the Railway Board be addressed in the matter of the waiving of the demand by the Railway authorities in India for payment of premia by Engineering graduates of Indian Universities desirous of undergoing practical training in Railways.	**Resolved** that information be obtained from the Railway authorities in India as to the terms on which they are prepared to admit Engineering graduates of Indian Universities desirous of undergoing practical training in Railways.
	(iii) That the Government of India be addressed in the matter of providing facilities for the practical training of such of the Engineering graduates of Indian Universities as proceed for study to foreign countries in Engineering and Industrial concerns which have dealing with the Government of India.	Recorded.
1935-36	(i) That a recommendation be made to the Government of India to appoint a commission to investigate the question of the general suitability of University courses to the needs of the country.	Resolution not yet communicated.
	(ii) That the Public Service Commission be addressed regarding :—	
	(*a*) The continuance of Philosophy as one of the subjects for the Indian Audit and Accounts Service examinations ;	
	(*b*) The continuance of Natural Science as a subject in the I. C. S. Examination as before;	
	(*c*) The interpretation of the terms 'with' and 'domicile' specially in connection with those students whose parents may have been born in one Province and domiciled in another.

In the course of the general discussion the following points were mentioned ;—

(i) That the provisions for extension lectures, physical culture, scholarships were inadequate and the increase proposed under laboratory grant was at the expense of the above items.

Transfer of surplus.

(ix) (*a*) If the number of papers in any such parcel is equal to the quota, the papers shall be set aside as finally dealt with.

(*b*) If the number of the papers in any such parcel is greater than the quota, the surplus shall be transferred to the continuing candidates indicated on the voting papers as next in order of the voter's preference, in the manner prescribed in the following clause :—

(*c*) If and whenever as the result of any operations prescribed by these ordinances a candidate has a surplus, that surplus shall be transferred in accordance with the provisions of this ordinance.

(*d*) If more than one candidate has a surplus, the largest surplus shall be dealt with first and the others in order of magnitude provided that every surplus arising on the first count of votes shall be dealt with before those arising on the second count, and so on.

(*e*) When two or more surpluses are equal, the Registrar shall decide, as hereinafter provided, which shall first be dealt with.

(*f*) (a) If the surplus of any candidate to be transferred arises from original votes only, the Registrar shall examine all the papers in the parcel belonging to the candidate whose surplus is to be transferred, and divide the unexhausted papers into sub-parcels according to the next preferences recorded thereon. He shall also make a separate sub-parcel of the exhausted papers.

(b) He shall ascertain the number of the papers in each sub-parcel and the total of all the unexhausted papers.

(c) If the total number of the unexhausted papers is equal to or less than the surplus, he shall transfer all the sub-parcels to the continuing candidate.

(d) If the total number of the unexhausted papers is greater than the surplus, he shall transfer from each sub-parcel of unexhausted papers the number of papers which shall bear the same proportion to the number of papers in the sub-parcel as the surplus bears to the total number of unexhausted papers.

(*g*) If the surplus of any candidate to be transferred arises from transferred as well as original votes, the Registrar shall re-examine all the papers in the sub-parcel last transferred to the candidate, and divide the unexhausted papers into sub-parcels according to the next preference recorded thereon. He shall thereupon deal with the sub-parcels in the same manner as is provided in the case of sub-parcels referred to in clause (*e*).

(*h*) The papers transferred to each candidate shall be added in the form of a sub-parcel to the papers already belonging to such candidate.

(*i*) All papers in the parcel or sub-parcel of an elected candidate not transferred under this clause shall be set aside as finally dealt with.

(*j*) If, in ascertaining the number of papers to be transferred from a sub-parcel fractional parts are found to exist and if, owing to the existence of such fractional parts, the number of papers to be transferred is less than the surplus, as many of these fractional parts taken in the order of their magnitude, beginning with the largest, as are necessary to make the total number of papers to be transferred equal to the surplus, shall be reckoned as

of the value of unity, and the remaining fractional parts shall be ignored. If two or more fractional parts are of equal magnitude, that fractional part shall be deemed to be the larger which arises from the larger sub-parcel, and if the sub-parcels in question are equal in size, preference shall be given to the candidate who obtained the larger number of original votes.

Transfer of papers of excluded candidates.

(x) (*a*) If, after all the surpluses have been transferred as hereinbefore directed, less than the number of candidates required has been elected, the Registrar shall exclude from the poll the candidate lowest on the poll and shall distribute his unexhausted papers among the continuing candidates according to the next preference recorded thereon. Any exhausted papers shall be set aside as finally dealt with.

(*b*) The papers containing original notes of an excluded candidate shall first be transferred.

(*c*) The papers containing transferred votes of an excluded candidate shall then be transferred in the order of the transfers in which, and at the value at which, he obtained them.

(*d*) Each of such transfers shall be deemed to be a separate transfer.

(*e*) If the total of the votes of the two are more candidates lowest on the poll, together with any surplus votes not transferred, is less than the votes credited to the next highest candidate, those candidates may, in one operation, be excluded in accordance with the directions given in clauses (*a*) to (*d*) above.

(f) The process directed by the ordinance shall be repeated on the successive exclusions, one after another, of the candidates lowest on the poll until the last vacancy is filled either by the election of a candidate with the quota or as hereinafter provided.

(xi) If as a result of a transfer of papers under these ordinances the number of the votes obtained by a candidate is equal to or greater than the quota, the transfer then proceeding shall be completed but no further papers shall be transferred to him.

(xii) (*a*) If after the completion of any tranfer under the ordinances the number of the votes of any candidate shall be equal to or greater than the quota, he shall be deemed elected.

(*b*) If the number of the votes of any such candidate shall be equal to the quota, the whole of the papers on which such votes are recorded shall be set aside as finally derlt with.

(*c*) If the number of the votes of any such candidate shall be greater than the quota, his surplus shall thereupon be distributed in the manner hereinbefore provided, before the exclusion of any other candidate.

(xiii) (*a*) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled, the continuing candidates shall be deemed elected.

(*b*) When only one vacancy remains unfilled and the number of the votes of some one continuing candidate exceeds the total number of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate shall be deemed elected.

(*c*) When only one vacancy remains unfilled and there are only two continuing candidates and those two candidates have each the same number of votes and no surplus capable of transfer, one candidate shall be excluded under the next succeeding ordinance, and the other deemed elected.

(xiv) If when there is more than one surplus to distribute, or two or more surpluses are equal, or if at any time it becomes necessary to exclude a candidate and two or more candidates have the same number of votes and are lowest on the poll, regard shall be had to the original votes of each candidate, and the candidate for whom fewest original votes are recorded shall have his surplus first distributed, or shall be first excluded as the case may be. If the number of their original votes is the same. the Registrar shall decide by lot which candidate shall have his surplus distributed or be excluded.

Decision regarding validity.

(xv) The decision of the Registrar and the two members of the Senate appointed to act with him shall be final as to the validity of any votes recorded. In case of difference of opinion, the decision shall be in accordance with the opinion of the majority.

(2) the number of voting papers rejected ;
(3) the number of votes obtained by each candidate.

The statement signed by the Registrar and the two members acting with him shall be submitted to the Vice-Chancellor who shall, subject to the provisions of Section 13 (2) of the Regulation, declare the names of the candidates who have been duly elected.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 516—*B.II., dated* 23*rd April* 1936.

To

All Officers who draw separate bills for their own salaries.

It is noticed in a number of cases that officers on leave draw their leave allowances without obtaining an audit slip from this office. Officers who are in receipt of certain allowances such as Duty, Local Allowance, Conveyance Allowance, House Rent and Fixed Travelling allowance draw these allowances during privilege leave as a matter of course. Similarly Gazetted Officers draw furlough allowances calculated on the full salary instead of average salary admissible under the rules without intimation from this Office which is usually furnished to the officer concerned, as soon as the report of transfer of charge is received in this office as per Article 62, M. C. A. C., Vol. I. To avoid such irregularities, the following procedure will be followed in future.

Officers proceeding on leave should invariably send the report of transfer of charge on the same day as they hand over charge of their office as contemplated in Article 62, M.C.A.C., Vol. I.

The Treasury Officers will not cash the bills for furlough allowances unless accompanied by an authority from this office.

Officers on privilege leave who are in receipt of any allowances other than personal allowance should draw such allowances during leave only after ascertaining from this Office as to whether they are admissible during privilege leave. Claims to such allowances will not be admitted by the Treasury unless accompanied by a letter of authority from this office.

A. N. RAGHAVACHAR,
Comptroller.

Copy forwarded to all Treasury Officers for information and guidance.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 516—B.II., dated 23rd April 1936.

To

All Officers who draw separate bills for their own salaries.

It is noticed in a number of cases that officers on leave draw their leave allowances without obtaining an audit slip from this office. Officers who are in receipt of certain allowances such as Duty, Local Allowance, Conveyance Allowance, House Rent and Fixed Travelling allowance draw these allowances during privilege leave as a matter of course. Similarly Gazetted Officers draw furlough allowances calculated on the full salary instead of average salary admissible under the rules without intimation from this Office which is usually furnished to the officer concerned, as soon as the report of transfer of charge is received in this office as per Article 62, M. C. A. C., Vol. I. To avoid such irregularities, the following procedure will be followed in future.

Officers proceeding on leave should invariably send the report of transfer of charge on the same day as they hand over charge of their office as contemplated in Article 62, M.C.A.C., Vol. I.

The Treasury Officers will not cash the bills for furlough allowances unless accompanied by an authority from this office.

Officers on privilege leave who are in receipt of any allowances other than personal allowance should draw such allowances during leave only after ascertaining from this Office as to whether they are admissible during privilege leave. Claims to such allowances will not be admitted by the Treasury unless accompanied by a letter of authority from this office
